Decree on the Legal Representation in Capitalist Countries. Legal representation in the interest of nationalized enterprises of the GDR in law suits pending before law courts of capitalist countries must only be exercised by attorneys who have been recommended by the International Association of Democratic Jurists (Internationale Vereinigung Demokratischer Juristen) (IVDJ). The interests of our nationalized industrial enterprises can only be effectively protected in capitalist countries by progressive lawyers who are ready to fight actively for our economy and institutions. The Ministry of Health carries a list of lawyers in capitalist countries who have been recommended by IVDJ. If legal representation abroad should become necessary, the Ministry of Health will communicate, upon request, the name and address of a suitable attorney. If the Ministry of Health is not in a position to name a suitable lawyer, it will request the good offices of the secretariat of IVDJ through the Ministry of Justice.
